

Appendix G - NY Mental Health Education Bill Text

commissioner or a course approved by the commissioner in accordance with criteria established by the commissioner. The commissioner is authorized to make recommendations to the board of regents beginning December first, two thousand fourteen and every three years thereafter relating to the modernization of such instruction required pursuant to subdivision one of this section, to include the most up to date age appropriate information available regarding the misuse and abuse of alcohol, tobacco and other drugs, including but not limited to heroin and opioids. Such instruction shall include, but not be limited to, information regarding drugs and other substances that are more prevalent among school aged youth. Such recommendations shall be the result of a collaboration between the department, the office of alcoholism and substance abuse services and the department of health. If the board of regents adopts such curriculum, the curriculum requirement shall take effect no later than the next school year after such curriculum has been adopted.

b. The commissioner shall make available an interpersonal violence prevention education package for grades kindergarten through twelve, which package may consist of student pamphlets, parent pamphlets, videotapes and other informative materials to be distributed to school districts, and shall encourage the use of such material as part of the health or other related curricula or programs.

c. The regents shall review the health curriculum requirements in existence on the effective date of this paragraph for the purpose of streamlining such curriculum and identifying any outdated components that may be eliminated or consolidated in order to ensure that students have sufficient time and instruction to develop skills to address issues of violence prevention and mental health. To the extent appropriate, the regents shall modify the existing curriculum to provide greater focus on the development of skills, by no later than middle school, that are needed to recognize, cope with and address potentially violent incidents including an understanding of ~~students~~ **student** roles in emergency situations ~~what to do when confronted with another student who is experiencing a mental health problem~~, and other related skills designed to reduce the threat of violence in schools.

7. School authorities shall provide the needed facilities, time, and place for the instruction set forth herein and shall provide learning aids and curriculum resource materials which contribute to effective teaching methods and learning in health education regarding alcohol, tobacco, and other drugs.

8. All pre-service training programs in the state for elementary teachers shall include adequate preparation regarding the instruction in alcohol, tobacco, and other drugs set forth herein, and no teacher shall be licensed except upon satisfactory demonstration of the competencies included in the institutional proposals approved by the department.

9. Nothing contained in this section shall be deemed to diminish or impair the duties of the commissioner with respect to the continuing program for critical health problems established by chapter seven hundred eighty-seven of the laws of nineteen hundred sixty-seven as amended. The commissioner shall coordinate actions taken under authority of this section with the provisions of said chapter as they relate to health education in schools, inservice training and training programs, and curriculum or syllabus development regarding the deleterious effects resulting from the use, misuse, and abuse of alcohol, tobacco, and other drugs.
